

The Governing Body

The Governing Body is made up of parents, staff and local people working together as a team to provide support and direction to the school. The Governors have legal duties, powers and responsibilities for the efficient running and upkeep of the school.

Our aim is to promote the inclusive ethos of Lambs Lane recognising that there is more to education than academic standards.

We meet twice a term and work to the School Development Plan and monitor progress towards our objectives for the school. The Staffing, Finance & Premises and Pupil Matters committees also meet regularly.
