Introducing the Holiday HQ!

Holiday HQ is the ultimate destination for kids looking for an unforgettable break during school closures!

From thrilling outdoor adventures to creative workshops, cooking classes, and interactive learning sessions, our expert team offers a dynamic mix of engaging activities and enriching experiences. We also ensure that every child's holiday is not just entertaining but an opportunity for growth. Helping them to build new friendships, explore their interests, and return to school with unforgettable memories.

Experience Types

At Holiday HQ, every programme is packed with exciting activities to keep children entertained and engaged. From take-home creations to exciting special events, we offer a range of fun experiences tailored to spark imagination and creativity.

Dive into a new adventure every day with our exciting daily-themed activities! Each school holiday features a special overarching theme, introducing something new daily, with a hero activity that children will love.

Skill Zone is a daily session designed to build confidence, curiosity, and teamwork through themed challenges and purposeful play. Aligned with each day's theme, children explore new ways to think, move, and create—developing life skills in a fun, inclusive environment.

Craft your own unique creation and take it home as a Holiday HQ souvenir! Whether it's arts and crafts, DIY science experiments, or even designing your own t-shirt, every creation is a special Holiday HQ keepsake.

Experience exciting performances, games, and activities brought to your club by expert facilitators—from epic animal encounters and Nerf battles to silent discos, every week features a special event extravaganza!

Everyday our on-site teams will also deliver Team Challenges, Super Sports and Arts and Crafts activities, which are all picked by and led by the children.

Proud to offer HAF spaces during the Easter, Summer & Winter holidays!
