

# Online Safety

How do I be safe online?

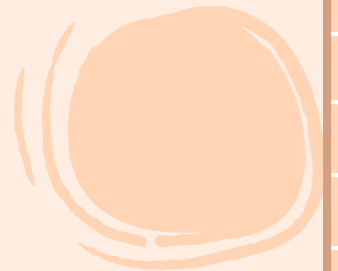

## Do's and Dont's

- Don't click on pop up adverts
- Unsafe websites
- Unsafe emails
- Strange messages
- Unsafe apps

## Examples of things that are unsafe

01

Links that are  
strange and  
mistaken

02

Unknown  
messages and  
emails

03

Pop up adverts

04

Games that ask  
for your  
information

Signs a website is  
safe or not

A padlock means it's safe as it  
is secure

“If there is no padlock, why are you there?”
