NEWS

Parent's Evening

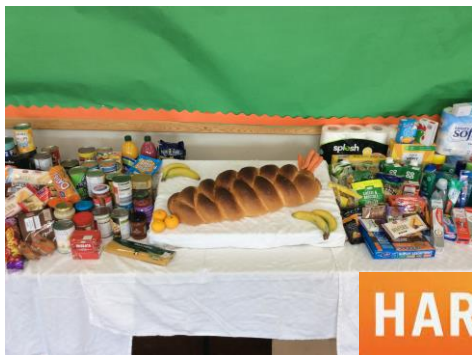

Last weeks Harvest Festival provided a great collection of food for the Wokingham Foodbank who very kindly support some of our local families. They came to collect the donations on Wednesday and were very impressed and grateful with the amount of food our lovely Lambs Lane family collected. Thank you all

Thank you to all the year 1 & 2 parents that came to our Salad Party. The children were very excited to serve their adult their creations

We hope all the children are warming up for the mini marathon on Thursday. This is a fundraising event and all donations will be used for resources in school. Thank you in anticipation of your support. Last year this was a well attended event and all the children really enjoyed taking part. Pictures to follow in next weeks news letter.

Remember we break up next Friday (21st October) for Half Term – this day finishes at normal time – 3.30pm

Next week our Parent Consultation Meetings will be held on Tuesday 18th and Wednesday 19th October. The booking system is open and will close on Monday. If you have not already booked your appointment please log on to your Parent Mail app to do so. If you experience and problems please do contact reception who will do their best to assist you.

INFORMATION AND REMINDERS

CONTACT DATA

At the beginning of the next half of the Autumn Term as a school will be implementing a new MIS system that will hold all our data and in the future, will replace school money and parent mail – a one stop shop! More information to follow as necessary

It is extremely important that the data we transfer is correct. If you have moved or changed your telephone number(s) or your address please make sure you have let the office know, in case of emergencies details need to be up to date. You should of received Data forms in your children's bags today to enable you to check your contact details – please let the office know of any updated information so that this is in place before the migration of our new system

School Dinners – KS2

Please remind your children to order their school dinners at registration. Despite numerous reminders from the class teachers we have had a lot of children NOT ordering their school dinners and not realising the impact on the catering staff. From Monday if your child does not order their lunch their only option will be a Jacket Potato

Road Safety

If your child rides their bike or scooter to school, please remind them of their road safety. We have had a couple of parents alert us to some unsafe actions on the road.

Collecting or dropping your child before or during the school day

If you need to come to collect your child for any reason or are dropping off to breakfast club, please **DO NOT** park in front of the school gates or on the zig zag lines in front of the school. We have had a couple of issues with deliveries getting stuck behind parents and then having to back onto the roadway.

Thank you for your co-operation

Last weeks overall attendance was 92.3%. As a school our attendance requirement is to be above 96%, we pride ourselves on high attendance. Sadly not one class managed to attain that percentage this week. Our attendance has been 92.7% we really need to raise this percentage as so much learning is being missed. Lets see if we can do better next week

The highest attendance this week were **OWLS** achieving **97.1%**, well done!!

You can find information on **Absence, Attendance and Timekeeping** on the school website:

ATTENDANCE MATTERS

Minutes Missed at School Due to Lateness
