End of Term News

And that's it – it's a wrap!

Another academic year done, it has flown by in the blink of an eye.

It has been fantastic to be back to normal after a couple of strange Covid years, but we finally feel like we are able to be a community again.

Thank you to each and everyone of you from pupils to teachers, parents to the whole school team for all your hard work this year. We hope you and your families have a fabulous summer break.

Good Luck to all of you that are moving on to your next adventure and we look forward to welcoming our new joiners in this coming September.

This year has been filled with many events. One particular event that we will probably never get to celebrate again in our lifetimes – The Platinum Jubilee. Congratulations to Her Majesty, we very much enjoyed helping her celebrate. Lambs Lane made a day of it on Friday 27th May with a whole school celebration lunch in the playground. It was great to be back at a whole school event again. The hat competition was a roaring success and the effort of everyone's hat making was amazing. It was a particularly hard job choosing the winners so well done to all of you that took part.

On Sunday 12th June, 17 children from Lambs Lane took part in the WASMA festival of music at the Hexagon. This event is historic in Wokingham but has not been able to run for the last couple of years due to Covid, so it was a wonderful experience for all involved. The children worked incredibly hard during their lunchtimes and free times over the past few weeks to learn many water-themed songs, as this year's festival was entitled WASMA Afloat! They all sung wonderfully!

As well as this, some of the children volunteered to dance and act in front of over 1,000 audience members. Mrs Osborne choreographed a fantastic dance to We All Live In A Yellow Submarine and the group performed it wonderfully and with such character. Another group of children dressed up and acted as Captain Kirk and her sailors - wowing the audience with their clear delivery of a number of lines!

**So as we head into the summer break we hope you all have a fantastic time with your families
Remember Monday 5th September is an inset day and we return to school on Tuesday 6th September**

Week 1 on the Caterlink menu.

Lambs Lane Class of 2022!

Year 6 had their leavers presentation today – it wasn't quite as we would of liked it but the great British weather had other ideas this week.

A great afternoon of Pizza, Puddings and Presentations. What a great year it has been. Fantastic to get back on track with the residential trip. Those that went had a brilliant time and those that stayed in school were also able to have a fun week. Thank you to Miss Boyd, Mrs Meikle and all the others teachers that made this week possible.

Fantastic to watch the leavers film, thank you Mr Leaver for all your hard work.

We are sad to see you all go, but wish you all the very best of luck in your new adventures!

Celebrating our Pupils

Owls

It was fantastic to join the Owls in April. It has been lovely seeing them develop their knowledge and skills. The children have been very busy working on their handwriting, their reading and numbers. They really enjoyed choosing the topics for our sharing assembly and were so excited to perform it.

I look forward to working with you all in year 1 and I can't wait to see you grow. Have a lovely Summer Holidays, I look forward to hearing about your adventures.

Miss Macfarlane.

Year 1

Year 1 have been very busy learning this year. In Maths we have covered everything from fractions to time and completed a calendar to show our important dates throughout the year. In Science we have conducted a range of experiments including identifying what is magnetic and non magnetic and which materials are transparent, translucent and opaque. In History we have discussed influential people from the past such as Martin Luther King and written our own I have a dream speech. We look forward to our next adventure in year 2.

Year 2

Year 2 have worked hard this year. They have learnt tricky concepts like fractions and time in Maths. In English they have become avid writers. Throughout the year they have studied a variety of countries from around the world such as Poland, South Africa and India. In History we have studied some great people from the past. Most of all we have enjoyed leaving school to visit amazing places such as Brighton beach and London. We look forward to all of the fun filled activities in year 3.

Year 3 & 4

It has been a busy half term with lots of wonderful learning and new experiences, From Hooke Court to meeting our new teachers for next year, we have continued to make our teachers proud! Despite the hot weather this week, we have still been kind and considerate of one another and always so helpful. We hope everyone in the Merlins and the Robins class have a wonderful summer holidays. Stay safe and have lots of fun with your family. We will see you in September. Year 3 and 4 team.

Year 5

We have had a great year and have covered a lot of ground. History this year we have studied the Ancient Mayans, the Vikings and the Ancient Greeks.

They have started to really grasp and apply themselves in tricky problem solving and reasoning in Maths

This half term they have been so enthusiastic of working and delivering an amazing performance

We wish all year 5 and their families a happy and restful summer and we look forward to welcoming you back in September .

Year 6

What a fabulous final year for year 6. They have applied themselves to every challenge and matured into wonderful representatives of Lambs Lane School. Year 6 conquered their SATs, put on end of year performance to rival all performances and have taken on the dreaded teachers in rounders. Yet again the teachers took the victory 😊

Well done for all your hard work this year, we are very proud of each and everyone of you. Good Luck as you move up to Secondary School.

Lambs Lane Top Swap

After a slow start the Lambs Lane Top Swap really took off. The enthusiasm of the children to take part in the recycling of clothes in a world of “fast fashion” was great to see.

Children were invited to bring in no more than 2 tops (t-shirts, hoodies, shirts, blouses, football shirts). In return, they were given a token on the day of the swap which they can then use to ‘purchase’ other items. 1 top = 1 token. It was a good way to recycle clothes that have been grown out of and an opportunity to get something different and help the planet at the same time.

Thank you for your support.

We hope to do more of these swapping events in the next academic year.

Goodbye and Good Luck

Good luck! 

Mrs Shepherd is leaving

As some of you may or may not know, today we say goodbye to our School Business Manager – Mrs Laura Shepherd. Laura has been with us for 5 Academic years and we thought we would ask her a few questions before she departs – so take a look at her highs and lows of her life in the Lambs Lane Family:

Funniest Moment:

Worst Moment: **When the toilets overflowed and flooded the playground**

Best Day: **The new playground opened and seeing the Children's faces after lockdown**

Worst Day: **When school closed for lockdown**

Best part of your job: **Making a positive difference on the environment that our children learn in**

Worst part of your job: **Chasing trip information!!**

What will you miss the most: **The people and the variety of my working day**

What will you miss the least: **The toilets and chasing information**

Any advice you would like to give your successor: **Take each day as it comes, rise to the challenge and do Yoga**

Well Laura all we can say is it is going to very quiet in the office but we wish you all the very best for your move and your future. We hope you will remember us with a smile.

Goodbye and good luck to you and your family ☺

SUPPORT THE PTA

Join our team

The PTA is a registered charity whose primary role is to plan and organise fundraising events for the school.

Lambs Lane PTA is a friendly group of parents, who fundraise to provide additional equipment and experiences for all the children that make so much difference to the children’s education and the facilities within the school in general. As parents of children at the school, we are all members of the PTA.

We are fortunate at our school to have a PTA that is and has been an integral part of the school community for many years.

The PTA is about much more than simply fundraising. It exists to provide closer links between home and school and it is an excellent way to bring staff, parents and friends together socially in support of the school, working towards a common goal. It is fun too!

If you are interested in joining the team or would like further information, please send an email to lisa@hotmail.co.uk
