MESSAGE FROM THE HEADTEACHER

Congratulations to all of those children who took part in our Easter Eggstravaganza - what a creative lot you are! I was so pleased not to have to judge it but delighted to be able to award the prizes this afternoon in assembly. The PTA have been very busy this week organising a fabulous Easter Disco as well as the Easter Egg Hunt in the playground this morning. We are really grateful for their continued commitment to helping us improve the resources for children to play with at lunchtime. Watch out for new things next term. Have a great break everyone and we look forward to seeing you on Monday 15th April for the Summer Term.

Sharon Finn

In PSHE this term, we are looking at the theme:

Healthy Me

The children have been talking about what a stranger is and how to stay safe if a stranger was to approach them in public. Have a conversation about 'Stranger Danger' and tips to keep yourself safe.

Computing

Watch this video of a couple of dances breaking a dance move down into simple steps (decomposition). Can you create a dance and break it down for a friends or family to learn?

The Last Supper—Leonardo Da Vinci

[Click here to see the artwork bigger!](#)

Da Vinci's 'The Last Supper' painting is one of the most famous paintings in the world. It shows the story of Jesus having one last meal with his friends before he was crucified by the Romans. He has painted the moment that Jesus tells them all that one of them will betray him and get him killed. Look closely at their faces and body language. How do they feel? What do you think they are all saying?

Noticeboard

Attendance

In line with the DfE drive to improve school attendance we are currently in the process of updating our attendance policy. The main changes are around reporting of absence and recording of lateness.

The policy is currently with Governors for approval and we hope to be able to share this with you at the beginning of the Summer Term.

Parents Coffee Morning Dates

We had a great coffee morning last Friday, nice to see some new faces. These are very informal events so please do pop along next term, have a chat, grab a coffee and meet new people.

WASMA

Lambs Lane choir attended the Hexagon on Sunday 24th March to perform with several other schools in Wokingham to perform in "Lights, Camera, Action" - a cinema themed extravaganza!

We had 3 brave children who took an extra—2 partaking in some acting and 1 doing a solo.

The children have all worked extremely hard, giving up two lunch times a week to learn 14 songs. They made us really proud.

End of Term Cups

Congratulations to all of the children who received an award this term.

News

Should there be a limit
on how rich one person
can become?

In the news this week

Poverty-fighting charity, Oxfam, recently released a new report on inequality and global corporate power. It found that the world's five richest people have more than doubled their fortunes from a combined total of £321 billion to £688 billion since 2020. The wealth of the poorest 60% (nearly five billion people) has fallen. If this trend continues, the world will have its first trillionaire within 10 years, whilst poverty may not be eradicated for another nearly 230 years.

Things to talk about at home ...

- Share your thoughts on this week's story. Are you surprised to learn that there will likely be a trillionaire within ten years?
- Can you name any billionaires? Do you know how they acquired their money?
- Do you think more should be done e.g., by governments, to reduce the gap between the world's richest and poorest people?
