MESSAGE FROM THE HEADTEACHER

We are looking forward to seeing you all on either Tuesday 7th or Wednesday 8th February for Parents' Evening. Pre-Covid, all of our meetings were face-to-face and turnout was exceptional.

Many of the Y6 class will be acting as School Ambassadors for this event and will be there to ensure that parents get to the right teacher, in the right place, at the right time. Please look out for the booking information which has been sent out separately.

In PSHE this term, we are looking at the theme:

Dreams and Goals

This week, praise someone else for an achievement that they have been working hard at.

Arts Focus

Fatboy Slim — Weapon of Choice — 2001

[Click to watch the dance!](#)

The dance in Fatboy Slim's music video was filmed in the entrance hall of a hotel. What do you think of the dance?

How do you think it would feel to dance in this setting? Fun? Embarrassing? Weird? The movements are quite simple - can you copy them? (but obviously not the one where the dancer throws himself off the balcony).

Books and Games

If you have any good quality books or games that you no longer want our Breakfast and After School Clubs would love to be considered for these. Thank you in anticipation.

Boot and Trainer Swap

Mrs Rose will be organising a Wellington Boot and Trainer swap. If your child has good condition wellies or trainers that no longer fit they will be able to swap them for another pair. If you have any that you would just like to donate to get us started please bring them to the school office. Dates for the swap to be advised in the near future.

Help with the cost of living

Wokingham Borough Council have sent the below link to services that you maybe eligible for to aid with the rise in the cost of living:

Merlins' Learning Showcase

This week, we have been working very hard in English to design our own confectionary to be sold in Willy Wonka's Chocolate Factory, using a range of synonyms and persuasive language to promote our product.

In Maths we have been using our skills and times table knowledge to divide 2 and 3 digit numbers.

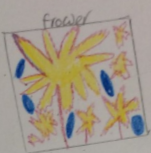

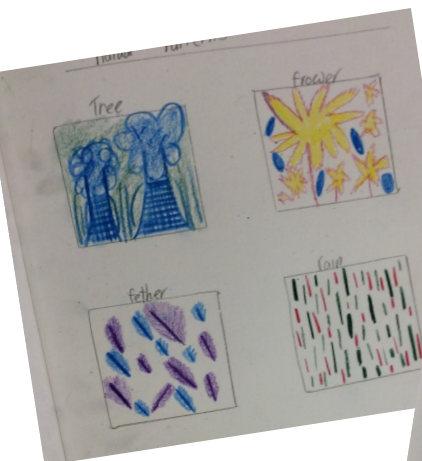

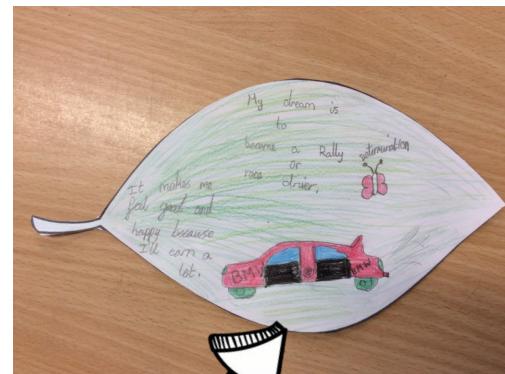

Here are some of the other things we have been up to....

The Merlins have been very excited to learn a new instrument, the trumpet! They are practicing for their concert in a few weeks.

In Art we have been drawing in the style of William Morris, using different techniques to add texture and design to our patterns.

In Geography we learnt about the climate in different parts of the world and discussed the season on our birthday.

In PSHE we have been talking about our dreams.

How much control do influencers have over our choices?

In the news this week

A drink called 'Prime Hydration' has arrived in the UK and as quickly as it arrived, it sold out. The creators of the drink are online influencers KSI and Logan Paul. After opening, some shops saw pushing and shoving as people tried to get their hands on the drinks, with many deciding to limit customers to one bottle per person. The craze did not stop at the supermarket shelves; on eBay the drinks were up for sale for thousands of pounds each. The founders of Prime, KSI and Logan Paul, have a combined YouTube following of over 40 million people.

Things to talk about at home ...

- > Do you watch any influencers online? Talk to others in your home – do they watch influencers?
- > Are there other well-known people that you admire or look up to? What are they known for?
