## MESSAGE FROM THE HEADTEACHER

We have had a wonderful week in school celebrating STEM week.

The children engaged enthusiastically in a range of hands-on activities, problem solving challenges and investigations that really brought science, technology, engineering and maths to life.

Another particular highlight of the week was the History Off the Page day for year 3 and 4. The pupils were fully immersed in ancient Egyptian life—exploring artefacts, taking part in traditional crafts and learning about this fascinating period of history.

I hope you all have a great weekend with your families.

## Noticeboard

### PARKING

Please can we remind parents to park respectfully.

Please DO NOT park on our school field.

The drop off zone should be used for dropping off your children—not for parking in.

Also, can we remind you to park clear of the Zebra Crossing—don't park on the zig-zag lines, it impairs visibility for other drivers and is extremely dangerous.

Thank you for your co-operation.
