

LAMBS LANE NEWS

WEEK 19 - 30.01.26

MESSAGE FROM THE HEADTEACHER

We have had a great week and even saw some sunshine today—long may it last. In foundation stage, the children have made bird feeders and gone on a birdwatch as part of the RSPB Big Garden Birdwatch. Year 1 have enjoyed writing stories about their teddies while in Year 3 and 4 the children have been looking at electrical circuits. Upper KS2 have been writing spy stories—a busy week for all. Hope you all have a lovely weekend and look forward to seeing you all on Monday!

Noticeboard

School Uniform

Black trainers— We have seen an increase in coloured trainers since September. Please remember this is NOT part of our school uniform footwear which should be—Sensible, plain black shoes or plain trainers - No Logo

Earrings— It has been common practice at Lambs Lane for many years to expect that pupils will remove earrings for the duration of their PE lesson. This is for health and safety reasons and is common place in most primary schools.

Please follow the link to our school uniform:

Toys from Home

We kindly ask that children do not bring toys from home into school (unless instructed to by a teacher as part of a lesson). While we understand how special these items can be, toys can easily become lost or damaged, which can cause unnecessary upset. Bringing toys in can also lead to distractions during learning time and, at times, disagreements between children. School provides a wide range of resources and activities that support learning, sharing, and positive play experiences for everyone. Thank you for your continued support in helping us maintain a calm, focused, and happy learning environment for all pupils.

School Trips ...

School trips play a vital role in enriching children's learning by bringing lessons to life beyond the classroom. They offer valuable opportunities for pupils to explore new environments, deepen their understanding of topics studied in school, and develop important social skills such as independence, teamwork, and confidence. These experiences often leave a lasting impression and help to inspire curiosity and enthusiasm for learning.

Voluntary contributions are essential in making these trips possible. The cost of transport, entrance fees, and additional resources continues to rise, and without sufficient contributions many trips would unfortunately be unable to go ahead. While contributions are voluntary, we are extremely grateful for the support we receive, as it helps ensure that all pupils can continue to benefit from these memorable and educational experiences. Thank you for your continued support in helping us provide rich learning opportunities for every child.
