MESSAGE FROM THE HEADTEACHER

We have had a great first full week in school— it has been busy but lots of learning has taken place which some of the children shared in our Friday assembly. The school has had a makeover with some lovely new art work around school— thank you to the PTA for funding this. Please ask your child about what they have seen (Photos to follow in next week's newsletter). Looking forward to seeing you all next week— have a lovely weekend.

PTA AGM

Friday 3rd October @ 3.40pm

We'd love you to join us at the PTA Annual General Meeting! It's a great chance to meet other parents, hear about the exciting projects we've supported, and share ideas for the year ahead. The AGM is also where new members can get involved, whether by taking on a role or simply lending a hand at events. Your support—big or small—helps us make a real difference to the school community. Come along, have your say, and be part of something that benefits all our children

Innovate Catering

Our new catering company is now fully functional.

If you still have not received a link to the Impact food app, please contact the school office and we will follow up with Innovate.

Please remember to order your child's meal choices before cut off on a Sunday evening.

Expanding free school meals—what parents need to know.

Free school provide vital nutrition for children during the school day. The department for education has just announced that many more families will be eligible. Here's what parents need to know. Please follow the link:
