MESSAGE FROM THE HEADTEACHER

Today marks the end of the first half of the academic year. It has flown by. It was lovely to see so many parents attend the spring term parents evenings this week.

KS1 and Lower Key Stage 2 were very lucky to have a visit from the author Simon Murray. He talked about his books, taught the children how to draw Icky Doo Dah and left an illustration for each class. The children loved the experience.

Have a fabulous half term.

Noticeboard

PGL

There is still time to sign your child (current year 4 & 5) up to the residential trip to PGL Liddington in October 2025. This is a exciting experience that the children always love.

If you have not yet made a decision, please do take the half term holiday to visit the school website for further information and discuss with your child:

Attendance

Please remember if your child is absent for more than 2 school days, we do require written confirmation of their absence in line with our Attendance policy. Unfortunately, if we do not receive details of the absence, it will be marked as unauthorised. We also need a reason for absence, not just "unwell". This helps us to keep a track of illness/bugs etc.

Please follow the below links for further details:

Year 6 Science

Year 6 have brought home anatomically correct hearts for Valentines day. Feel free to ask your child how oxygenated and de-oxygenated blood travel through the heart. They can use their hearts to show you.

What's on in Half Term
