Attendance

As a school, we aim to have above **96%** attendance. We hope you can support us in this goal!

Minutes missed of school due to lateness

This week we have had **382 minutes** of lost learning due to lateness. **25 pupils** were late this week.

Class	Attendance percentage
Owls	93.9
Wrens	95.7%
Woodpeckers	89.3%
Kingfishers	93.1%
Merlins	97.3%
Robins	92.1%
Hérons	91.7%
Whole School	93.3%

MESSAGE FROM THE HEADTEACHER

What a wet week! Thankfully, the rain held off when Y5 had a visit from the Fire Brigade which was both entertaining and informative, and we really appreciated them giving up their time for us. We had a good turn out at the Coffee Morning on Thursday, and everyone appreciated the freshly baked, home-made sausage rolls provided by Mr Pridmore. If we have any other secret bakers or pie-makers out there who would like to provide the goodies for the next meeting, please do let us know. It looks like the rain might continue over the weekend, which is the perfect opportunity to curl up on the sofa and share a story - enjoy!

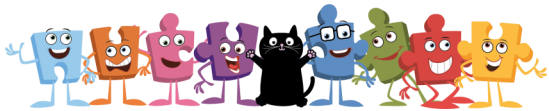

Sharon Finn

In PSHE this term, we are looking at the theme:

Healthy Me

This week, talk with your family about what you could change in your lifestyle to becoming a little healthier — a meal choice? do something active?

Computing

Have a watch of this Safer Internet Video all about respecting each other online. It might give you some ideas for how to deal with problems that you might face.

Lambs Lane Eco-Day

Friday 1st March

Non Uniform Day (minimum donation 50p): Please wear something green (this can include an accessory or green socks).

Children should bring in biscuits or cakes for decorating with an Eco theme. (no more than 4cakes/biscuits). There will be a cake sale at breaktime and afterschool (if there are cakes left over) 50p per cake.

Eco themed lessons.

ARBOR

Please see the email we sent on Wednesday 21st February regarding our change from school money to Arbor payments.

You will be able to use Goggle Pay and Apple Pay to top up your accounts, as well as your debit/credit card.

We expect to go live with this on **Monday 18th March**. In order for the changeover to happen smoothly there are a few things for you to do.

We need you to :

Check your Arbor Portal/App to make sure your address and your child's emergency contact details are up to date. Where there is any information to be updated you should be able to do this yourself via your app, but, please contact the office if you require additional assistance.

Make sure all your accounts are paid up to date (i.e. school meals, wraparound care, trips) – any Residential trip balances will be transferred across to Arbor

All credit and debit balances will be transferred from School Money to Arbor on 18th March; please check your balances ahead of this date

Breakfast Club

Due to low staffing numbers, we are currently full in breakfast club on a Monday. There are no ad hoc sessions available for this day at present.

Merlins' Learning Showcase

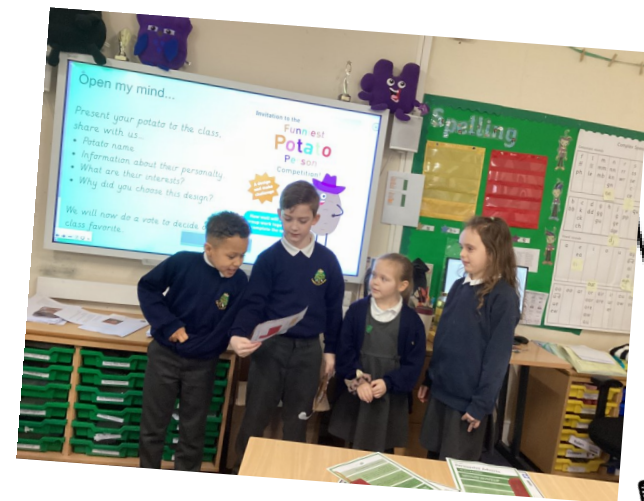

This term we have been so lucky to have Roald Dahl as our author. The children love listening to and reading his books and we have begun a unit on designing our own sweet, which we will advertise later.

We have been practising our retrieval skills in RE and our group work and presentation skills in PSHE. We can proudly say we have grown in confidence and ability in drawing our own

Ask me about using a decibel meter to measure sounds

We have been practising to find different books in the Bible.

In PSHE we worked as a group to design a character and then present a fact file all about them to the class. Look at our

How important is packaging?

In the news this week

Coca-Cola has announced it will temporarily be removing labels from some of its bottles to trial 'label-less' packaging. The trial will see labels removed from the 500ml Sprite and Sprite Zero bottles and replaced with an embossed logo on the front of the pack. The product and nutritional information will be laser-engraved onto the back. The label-less bottles will be trialled in some shops in London, Bristol, Manchester and Brighton and Hove.

Things to talk about at home ...

- Find five different food items at home that have packaging and labels. Have a look at the labels and talk to others at home about what they include. What do you think is the most important information? Do you believe that all the packaging the items have is necessary?
- In general, do you feel people should do more to reduce the amount of packaging they consume? If so, how?

MINIS AND JUNIORS RUGBY

FREE TRIAL SESSIONS

FOR AGES 5 to 17

Our thriving Minis and Juniors Sections provide rugby for boys and girls from six through to Under 18s. The emphasis is on a carefully managed progressive development of rugby skills, always with a liberal dose of fun! Each age group has a qualified Head Coach, who leads the training sessions, ably supported by a Team Manager who deals with the all-important organisation and liaison with parents.

Welcoming environment, training on Sundays:

- 9am to 12pm: Girls/Boys Minis (5 - 11) & Boys (11 - 17)

- 1pm to 2.30pm: Junior Girls (11 - 17)

Junior Sections also have midweek training

Fun and interactive sessions with regular fixtures

The aim of our young players is to enjoy exercise, build some physical confidence and make new friends.
