WEEK 1 - 06.09.25

## MESSAGE FROM THE HEADTEACHER

What a great way to finish the second full week in school—with the sun shining. Long may it last! We have had school photos this week and it was lovely to see so many siblings popping in for the occasion.

Photograph proofs have been sent home today. I spoke to the children in assembly this afternoon about our upcoming 'Dress as a Rockstar' day (Wednesday 1st October). We are looking forward to seeing some fab outfits.

Have a great weekend and see you all next week!

## Noticeboard

### Parent Governor

We currently have a space for a parent governor. If you are interested in this post, please see last weeks information email or contact the school office.

As a parent governor, you'll help shape decisions that affect pupils' learning and wellbeing, ensure that parents' voices are represented, and support the school in achieving its goals. Most importantly, it allows you to play an active role in creating the best possible learning environment for all pupils.

### Named Uniform

Please make sure you have named ALL your child's clothing. We seem to have a mountain of lost property already. If it is named it will find its way back to your child.

Also could you please check PE bags for other children's clothing (particularly EYFS + KS1) as these children are still learning and sometimes take home clothing that does not belong to them.

### PTA AGM

Friday 3<sup>rd</sup> October @ 3.40pm

We'd love you to join us at the PTA Annual General Meeting! It's a great chance to meet other parents, hear about the exciting projects we've supported, and share ideas for the year ahead. The AGM is also where new members can get involved, whether by taking on a role or simply lending a hand at events. Your support—big or small—helps us make a real difference to the school community. Come along, have your say, and be part of something that benefits all our children.

### Census Day

On Thursday 2nd October it will be national Census Day. There will be a special menu for this day, please keep an eye on your innovate food app for further details.

Please encourage your EYFS or KS1 children to order a dinner on this day, it has a big impact on our school funding.
