WOODPECKERS	96.7%	HERONS	94.6%
OWLS	94.6%	ROBINS	94.6%
MERLINS	97.1%	WHOLE SCHOOL	95.4%

## MESSAGE FROM THE HEADTEACHER

This week, some of the children have been out and about on the playground enjoying their learning. Yesterday, Year 6 enjoyed a SPAG treasure hunt in preparation for starting SATs next week and Year 5 took their messy art outside. This morning, the air was filled with the scent of cakes baked by FS - I hope they tasted as good as they looked.

Today, the children observed a two minute silence before their assembly remembering VE Day.

We would like to wish the Year 6 good luck for their SATs next week—we know after all your hard work that you will do yourselves proud!

Have a great weekend!

Stephanie Meikle

### The Importance of Attendance

Failing to attend school regularly can have a major impact on a child's education, their future and their life chances. There is strong evidence to show that absence has a serious impact on a child's performance in tests and examinations and means that they will fail to meet their full potential.

#### Other reasons why school attendance is important:

- \* Relationships with peers are built and sustained
- \* Children who are away from school may be at risk of becoming victims of crime or abuse
- \* Increases life choices
- \* Children may be drawn into anti-social or criminal behavior

#### Parents can help by:

- \* Creating good routines at home
- \* Making sure children arrive at school on time & properly equipped
- \* Making time to encourage children & show interest in their work
- \* Communicating with the school any problems that may affect attendance
- \* Adhering to the school's Attendance Policy
- \* Avoiding absence from school – make non urgent medical appointment out of school hours, do not take holidays in term time
- \* Setting realistic boundaries & sanctions related to school attendance
- \* Informing the school on the first day of absence and maintaining contact

### Message from Mrs Finn regarding Earrings

It has been common practice at Lambs Lane for many years to expect that pupils will remove earrings for the duration of their PE lesson. This is for health and safety reasons and is common practice in most primary schools.

We acknowledge that this academic year, with a change of sports coach and new teachers, that this has not been enforced in some classes. If your child has been wearing their earrings, we would ask you to begin to remove them on PE days as soon as possible. If they can remove them themselves, then they can do that at the beginning of the lesson when they get changed.

Over the next 2 weeks, we will be reminding the children of the rule and will begin to enforce it again after half term. If you have any questions or concerns regarding this expectation, please make an appointment to see Mrs Finn or Mrs Meikle as soon as possible.
