	3:30 — 4:30 Y1/2 Racket Sports	3:30 — 4:30 Y3/4 Hockey	3:30 — 4:30 Y1/2 Multi Skills	Woodpeckers Sharing Assembly 3pm
			3:30 — 4:30 KS2 Running	Year 5/6 residential
				3:30 — 4:30 Y5/6 Hockey

## Attendance

As a school, we aim to have above 96% attendance. We hope you can support us in this goal!

### Minutes missed of school due to lateness

This week we have had **181 minutes** of lost learning due to lateness. **16 pupils** were late this week.

Class	Attendance percentage
Owls	92.1%
Wrens	94.1%
Woodpeckers	94.7%
Kingfishers	89.7%
Merlins	88%
Robins	93.1%
Hérons	94.2%
Whole School	92.3%

### MESSAGE FROM THE HEADTEACHER

What a fabulous turnout for the EYFRS and year 1 "Share a Story" event on Tuesday. It was so lovely to see so many family members coming in to read with their children. We hope to have more of these events and look forward to seeing you all again.

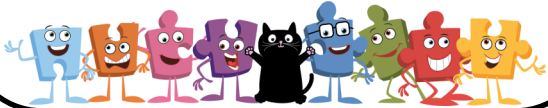

Sharon Finn

In PSHE this term, we are looking at the theme:

## Being me in my world

This week, try researching another culture with a family member. What do you find interesting?

## Computing

What is personal information? Who should we share it with? And who should we not share it with? Check out this video to find out more:

[Click here](#)

## Arts Focus

**Salvador Dalí**

[Click here to see his artwork larger!](#)

Salvador Dalí made paintings, sculptures and films about the dreams he had. Here is Dalí's version of a surrealist sculpture. It is called Lobster Telephone.

What two objects would you put together to create a surreal sculpture?

## Noticeboard

### Absence

Please remember to report your child absent if they are not going to be in school. You can call the school for up to two days of absence. If the absence is for a longer period we require this in writing. You can do this via your Arbor app and send us an in app message.

Please note — we no longer have access to our previous method of communication—ParentMail—if you are using this for absence we will not be able to see it.

The below link is useful for using Arbor as a parent:

<https://support.arbor-education.com/hc/en-us/sections/201716749-Parent-Portal-and-the-Arbor-App-as-a-parent>

### LOST PROPERTY

We have only completed 4 weeks of this academic year and already we have a mountain of lost property, sadly most of it with no name.

Last week we had 21 items—only 4 of which had a name.

This week XXX items—xx of which had a name and have been returned to the owners.

Please make sure all your child's clothing and personal belongings are clearly named in order that in the event of loss they can be returned to them.

### HARVEST THANK YOU!

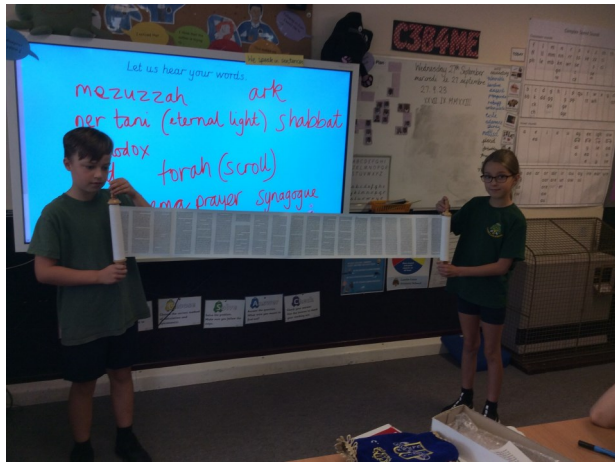

Thank you to all the parents and children who have kindly donated items for the Wokingham foodbank!

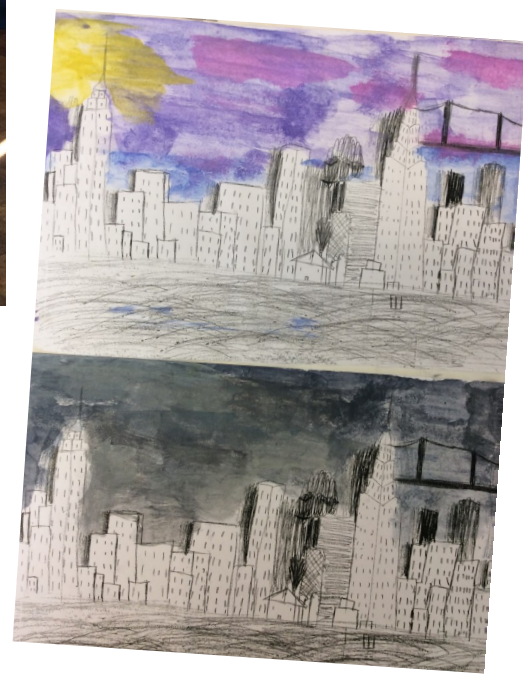

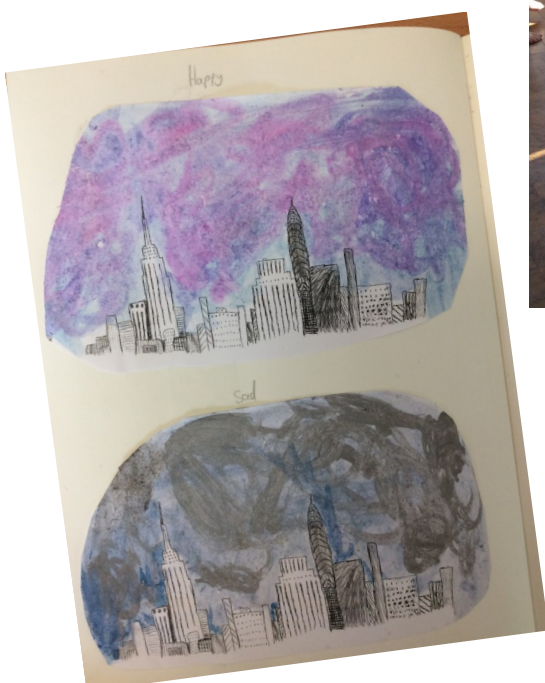

# Year 5 Learning Showcase

We would like to share some of our learning in the foundation subjects from this week. In RE, we are studying Judaism and thinking about the special relationship Jews have with God. We learnt that Jerusalem is a special place for Jews to make a pilgrimage to and closer to home, they have a special building (the synagogue) where they meet to worship God and read from the Torah. We are loving 'Cartoon Capers' in our dance lessons, using the extraordinary events that can happen in cartoons to stimulate dance ideas. Today we were focusing on technical and expressive skills. So far, we have learnt a chase dance and begun to adapt this with a partner. In art, we have been studying mood through colour and texture. Look at some of our cityscapes so far!

Ask me how  
long an  
unfurled Torah  
is!

Can I show you my  
dance?

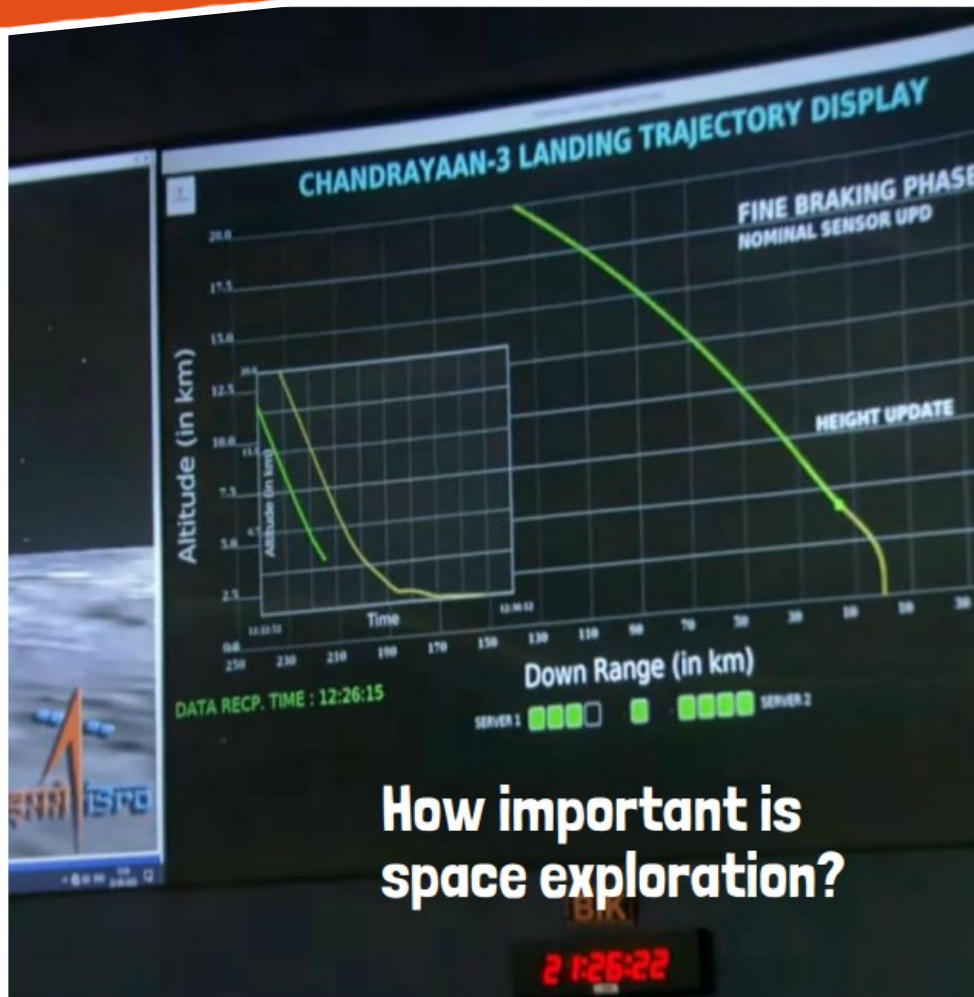

# TAKEHOME

- 1 Oct

Picture  
News

**How important is  
space exploration?**

## In the news this week

In recent weeks, both India and Russia's space agencies have tried to send unmanned missions to the Moon. They were heading to the lunar South Pole, which is a less explored part of the Moon. Whilst Russia's shuttle crashed into the Moon's surface after spinning out of control, India has become the first nation to land near the Moon's South Pole. The mission, named Chandrayaan-3, has been declared a success as the Vikram lander touched down at the end of August. The lunar South Pole is covered by shadow and largely unknown.

### Things to talk about at home ...

- Share your thoughts on the recent competition for countries to reach the Moon's South Pole.
- Is space exploration something that interests you? What do you think we can learn from exploring space?
