MESSAGE FROM THE HEADTEACHER

What a busy learning week we have had. Last night, Year 6 took part in an enterprise challenge at Waingels school and won 1st place! Well done to the team! Today, the choir went to rehearsals for the Junior Music Festival. The children have also been busy on TTRockstars to help boost their chances in Battle of the Bands. Results will be announced in assembly on Monday. Thank you to those who attended the coffee morning today—our next date is an afternoon tea on Wednesday 26th November, we hope to see some more faces there. Have a good weekend.

Noticeboard

Parents Evening

Dates for Parents evening for this term are Tuesday 4th November for the later session and Thursday 6th November from 3.40pm.

Next week, the event will be on your Arbor account and will open for you to book in to see your child's teacher.

Attendance

We have only been back to school for 6 weeks and sadly out of 210 pupils over half have already been absent for at least one session. 108 pupils are below 100% attendance. That is more than half the school.

Attendance facts:

If your child attends school **100%** of the time they will be able to make the best of the opportunities available to them.

Children who attend school more than **95%** of the time are more likely to gain 5+ good GCSEs or equivalent

A child who misses school just twice per month will lose out on 18 days' education across the school year - that is nearly four weeks

A child who has **90%** attendance across their entire schooling will have missed one year's education. This will make it harder for them to progress.

Holiday Clubs

We'd like to share with you information about uSports holiday camps, which will run at various venues in the local area during the upcoming school holidays. These camps provide children with a great opportunity to have fun and learn new skills while keeping active!

Please find attached a flyer with all details about the camp, including venues and booking information. We believe this could be a fantastic option for your children during the school break.

PTA Fundraising

A big thank you to all of you that have supported the PTA fundraising events. They have enabled the PTA to fund the beautiful wall art you are now seeing around the building.

You should now have received your child's proof for their Christmas cards. All orders raise money for the PTA—a fun and meaningful way to support the school while celebrating your child's creativity! Friends and family receive beautiful, personal cards and gifts made with love.

SAFEGUARDING INFORMATION

Parent/Carer Information

Important Safeguarding Notice: Children's "Spy" Books

We want to make you aware of a recent issue affecting some popular children's books by Andrew Cope, including the *Spy Dogs*, *Spy Cats*, and *Spy Pups* series. Some editions of these books include a printed web address at the back. This link used to go to the author's website, but the domain is no longer under his control. It has since been taken over by another party and now leads to inappropriate adult content.

The publisher, Puffin, has paused sales and distribution of the books and is working with schools, libraries, and retailers to remove copies from circulation. They have stressed that the website has no connection to the author or publisher.

What this means for you:

- If your child has any *Spy Dog*, *Spy Cat* or *Spy Pups* books at home, please check the back for website links and make sure they do not try to visit the site.
- It is safe for children to continue reading the stories themselves — the concern is only with the outdated link.
- We recommend talking with your child about the importance of not following web addresses in books without checking with an adult first.

We will continue to share updates from the publisher as more information becomes available.
