	3.00-3.25 Owls & Wrens Share a Story			

Attendance

As a school, we aim to have above 96% attendance. We hope you can support us in this goal!

Minutes missed of school due to lateness

This week we have had **383 minutes (6 Hours 23 Mins)** of lost learning due to lateness. **22 pupils** were late this week.

Class	Attendance percentage
Owls	93.7%
Wrens	96.2%
Woodpeckers	95.9%
Kingfishers	91.5%
Merlins	94.5%
Robins	95.1%
Hérons	93.9%
Whole School	94.2%

MESSAGE FROM THE HEADTEACHER

Another Monday, another closure! What a great start to the week again.

We have everything crossed that next week will be uneventful and we will get to half term with no further emergencies. It was great to see Y5 and Y6 come back from PGL with so many stories to tell and experiences to share—they clearly had a great time!

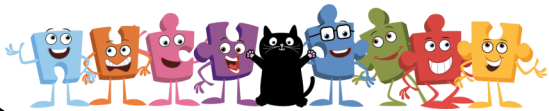

Sharon Finn

In PSHE this term, we are looking at the theme:

Being me in my world

This week, find a way to make our school community a better place. Talk with an adult about what you could do!

Computing

Look at this BBC website with an adult—it tells you all about how to stay safe online. What tips can you try to remember when you use the computer at home and at school?

PTA Spookey Disco

The PTA are organising two Spookey Disco's for EYFS & KS1 and KS2. These will take place on Thursday 2nd November 2023.

EYFS & KS1—4.30pm until 6pm

KS2—6.15pm until 7.45pm

Entrance will be £5 and include a sandwich, crisps, unlimited squash and a glow stick.

There will also be a spookey Crafts table and pocket money stalls.

Friends of the PTA

The PTA Committee are always looking for volunteers to help at fundraising events throughout the year. We understand that many people may not want the full commitment of joining the PTA Committee but are willing and able to spare a bit of time to help out on an ad-hoc basis. We are currently setting up a 'PTA Volunteers' group, who we can approach ahead of each event to ask if people are able to help out with things such as running stalls, setting up etc. If you would like to join the group, there is no commitment, just a willingness to help out when and if you are able to. The PTA will reach out to the group ahead of each event to ask if anyone is able to help at that specific event. Next week the school office will be sending out a form to complete and you will be able to indicate the level of involvement you would be happy to undertake.

Football!

Eight of our Year 2 children triumphed over the rest of the teams that attended a football tournament at Geoffrey Field Junior School on Tuesday. We brought home the trophy and one of our players won a separate award for his caring attitude during the games.

Year 6 Learning Showcase

This week has been a time for adventures. Friday to Monday most of us went on our year 5&6 residential to PGL in Liddington! We had a great time! We had the opportunity to try all kinds of activities including abseiling, zip lining, vertical challenge and canoeing!

The children who didn't go to PGL had a fab time too! On Friday, we went to Dinton Pastures for a day of play and challenges. We tried fencing and faced heights in the crate challenge! Back in school on Monday, we squeezed in some baking (apple pies) before the water ran out and then we made pancakes on Tuesday.

The PGL Group

We even found time to fit in lessons this week! In Science, we learned how scientists classify living organisms before creating a Classification system for our favourite snacks.

News

**How does
change happen?**

In the news this week

October is Black History Month in the UK. This year's theme is 'Saluting our Sisters' - highlighting the role Black women have played in shaping history, inspiring change, and building communities in the UK. Commemorations will feature Black women, who have made outstanding contributions to many areas including music, literature, fashion, sport, business, politics, and health care.

Things to talk about at home ...

- Share what you already know and understand about Black History Month in the UK.
- This year's theme is 'Saluting our Sisters'. What are some of the ways that you think we could do this?
