MESSAGE FROM THE DEPUTY HEADTEACHER

We have reached the end of our first week back after our half-term break. We have had an improvement in the number of children reading at home which is great. It is very important that we continue to read 5 times during the week as this will provide your child with essential skills for all their learning. It was great to see so many of you at parent consultations this week and we hope you found it useful. We look forward to all of the exciting events planned for over the next few weeks.

Noticeboard

Christmas Fair

Thursday 4th December from 3.30pm.

There will be an array of exciting stalls and perhaps a visit from Santa's Elves.

The hamper competition is now live. Prizes for the best hamper. Please see the attached for your class theme.

There is less than four weeks to go until the fair—how exciting!!

ODD SOCKS & SPOTS

On Friday 14th November your child is invited to dress in odd socks or spots (or both) for a donation to Children in Need and Anti Bullying Week

Parents Evening

We had a very well attended parents evening this week—Parents' evening is important because it allows parents and teachers to discuss a student's progress, strengths, and areas for improvement. It helps identify any problems early and encourages students to work harder, knowing that school and home are working together to support them. The next event will be held in Spring Term.

Nut Free Environment

As you are aware the school is a nut free environment as we have people with allergies.

Please be extra vigilant with packed lunches and snacks that they do not contain any form of nuts. This is particular with chocolate spread.

Thank you as always for your consideration.
